Charity No: 326266

Report of the work of the Fund 2021

With ongoing COVID disruption, 2021 was a difficult year for many of us. Over the year the trustees continued to be in communication online, via email and with a meeting on zoom in October. As usual, they considered a number of grant applications and heard financial reports from the administrator.

The trustees gave £10,000 in 2021 towards Pax Christi's peace education work and Aisling Griffin, the Schools and Youth Education worker, updates them on this work.

The trustees are always happy to support a range of peace education projects, and some examples of projects that they have helped to fund can be found below. Please do pass on information about the fund if you think someone might want to apply for a grant!

A brief outline of income and expenditure is given overleaf.
